Fall Class Specials

Classes are forming now!

Quickbooks Training FALL SPECIAL - Mention this flyer and get \$25 off your first session booked at CTS! That's a \$75 session for only \$50 . . . you pick 1 of 4 sessions. Or get 2 sessions for \$125.

Introduction to Digital Photography - Learn the basics of using your digital camera. We'll cover the various camera settings and exposures, different types of picture formats, and some tips and techniques for taking better digital photographs. Get ready to photograph all the fall colors and holiday memories for only \$20!

Beginner Photoshop - Learn the basics of using the powerful Adobe Photoshop software to do cool photo processing. Learn how to adjust a photo's contrast, brightness, color, size, cropping - and even a few special effects! Limited time FALL SPECIAL - 3 classes for \$50.

DVD Scrapbooking - Turn your digital photographs into a professional-looking DVD - complete with a sharp main menu and background music! Makes a great holiday gift! \$65 for 3 classes - or mention this FALL SPECIALS flyer and get all 3 classes for just \$55 . . . and your first DVD will be included!

How to Create Your Own DVD - Want to turn home movies and video files into you own DVD? Well this is the class for you! Learn how to use the DVD Authoring software, Nero, to process video files. You will create and add chapters, apply video filters and special effects, create a main DVD menu and chapter menus, add buttons (and animate them), and add background audio. Finally, you will burn your DVD to disc. Finish off your product by designing and printing your own cover. Class consists of 3 sessions lasting 1.5 hrs each - all for the FALL SPECIAL price of only \$65
